

**Kentucky USA Gymnastics
July 8,2014**

Dear Ky. USA Gymnastics Members;

Our committee met on June 29th to address our 2014-15 calendar and the Rules & Policies. Below I have attached a tentative schedule so those wanting to prepare competition schedules can do so. The new R & P will be placed on the Kentucky web site once all the changes and additions have been proofed. Also, the minutes to the recent meeting will be placed on the web site.

Highlights from the meeting:

***Please get your bids in for State Meets. The deadline is quickly approaching. A venue which can hold 2 sets of equipment is highly recommended.**

***After much discussion the committee voted to have only one team competition at State for each level. The numbers and results from this past State Meet did not warrant going back to a small and large team competition. This past season at Level 2; a team won who only had 7 athletes. There were only 2 other teams with 7 or less athletes to make a small team. The scores from the extra large teams only counted 7-9 athletes! The committee was divided with a 5 to 2 vote.**

***Please keep your credentials up to date! YOU WILL NOT BE**

ALLOWED ON THE FLOOR AT SANCTIONED MEETS IF YOU ARE NOT CURRENT. The national office is checking all coaches and judges. A violation can compromise the sanction. Arm bands are recommended at all sanctioned meets and is mandatory at State Meet.

***Please make note that the Level 4-10 State Meet and Excel (silver-platinum) is March 28th & 29th. This may conflict with some Spring Breaks! This date is set by our Region and not our Ky. committee.**

***An Open Ky. Meeting will be scheduled during Mini Congress in Columbus, Ohio, in September. If you are attending Mini Congress, please look for the date and location of the meeting.**
